## Apex® Payroll Announces Partnership with The Online 401(k) PARTNERSHIP OFFERS CLIENTS INTEGRATED PAYROLL AND 401(K) PACKAGES

**Roswell, GA February 1, 2012** – Apex Payroll a trusted provider of comprehensive payroll, payroll tax, Human Resources and timekeeping services and cloud based technology, today announced its partnership with The Online 401(k)<sup>™</sup>, the leading provider of full-service Web-based 401(k) plans for small and single-person businesses. The partnership will enable businesses to access a comprehensive payroll and 401(k) solution free from hidden fees.

Both Apex Payroll and The Online 401(k) are dedicated to providing customized solutions that outshine the approach of most large organizations, while delivering a cost-effective and robust solution. Both organizations share a focus on solutions that are easy to use and powerful enough to meet the unique requirements of small businesses.

The Online 401(k) introduced its offering to small businesses as a smart, affordable alternative to those products with hidden fees that are present in many 401(k) providers. The integrated solution between The Online 401(k) and Apex Payroll enables small businesses to directly manage their 401(k) plan online while also making dedicated personal client care a top priority.

Stephen Gregg, CEO of Apex Payroll comments, "By partnering with The Online 401(k), we bring an integrated solution to our clients, enabling them to streamline their 401(k) process. Apex Payroll clients will benefit from an integrated payroll and 401(k) program that is much easier to implement and manage."

Small businesses interested in learning more about The Online 401(k) can request a quote at [www.theonline401k.com/go/californiapayroll](http://www.theonline401k.com/go/californiapayroll) and automatically receive a customized proposal via e-mail. Companies can easily establish their 401(k) plan, thanks to a streamlined plan adoption process. Once the 401(k) plan is set up, employees access 401(k) and investment education, select their investments and manage their individual 401(k) accounts, all from the convenience of their desktop.
