

Apex® Payroll and InterceptEFT Announce Partnership

Atlanta, GA, August 21, 2012 – Apex Payroll, Inc., a national provider of comprehensive payroll, tax filing, human resources and timekeeping cloud-based technology and services, today announced it has partnered with InterceptEFT to offer ACH solutions to its customers.

“We are pleased to announce our partnership with InterceptEFT as we understand the importance choice plays with ACH services for payroll companies. This partnership allows our current and new customers to have another reliable solution to provide ACH services to their customers,” said Stephen W. Gregg, CEO, Apex Payroll, Inc. “We selected InterceptEFT to join our partner network for their great solutions and world class customer service that our customers deserve.”

“Intercept is excited to bring its payroll processing expertise to APEX Payroll Software. InterceptEFT provides a full range of electronic payment services, and this is another example of how our streamlined and reliable options can be integrated with a company's existing services to offer enhanced services to its platform,” said Bryan Smith, President of InterceptEFT.

About InterceptEFT

InterceptEFT is a national leader in payment-processing services and software. Since its inception in 1993, InterceptEFT has been one of the fastest growing, technologically advanced, and widely recognized electronic transaction processors in the industry. InterceptEFT offers a wide-range of ACH solutions for Payroll Processors, CPA's, TPA's, and other companies desiring to remit and collect monies electronically. InterceptEFT gives companies the tools they need to streamline financial transactions so they can accomplish **more** and **stressless**. For more information, visit <http://www.intercepteft.com>.
